CGRT DOMINATES CORNER GRASS HARESCRAMBLE!!

CGRT team riders Shane Cuthbertson and Cole Dobovich dominated the fourth annual Corner Grass Harescramble held June 26th in Compeer, Alberta. Over 225 riders competed at the event throughout the weekend and were treated to an epic course consisting of an 8km grass track, beginner and expert level endurocross tracks, and a newly constructed motocross section.

The competition was split into two – one hour moto sessions with combined scores determining the overall standings. Cuthbertson, fresh off another class win in the +30A class / 13th Overall at Round 5 of the US National Enduro series held in Upton, Wyoming was raring to go and prove that he is ready for the upcoming Canadian Enduro Championship (CEC) series. Things went according to plan as he went 1 – 1 for the weekend in the Pro class and took the overall! “I am so pumped to have finally won this event! It was not easy as I was under considerable pressure from my arch nemesis – Jason Schrage the last moto, but I held on and gained a lot of confidence in my conditioning and bike set-up. I am 100% ready to go for the CEC’s!”

In only his second race in the Expert division, 16 year old Cole Dobovich absolutely destroyed the competition in each moto and easily put his Husaberg FX450 on top of the podium. “I am really happy to have won today by such a large margin and it was a great experience to battle with several well respected Pro competitors in both motos. I cannot wait for the upcoming CEC’s!”
